

BUILD A DEN FOR DENS AND HELP REBUILD LIVES!

GET BUILDING

Registered charity number: 1097185

The money you raise will make a big difference to local vulnerable people and the services we offer to those facing homelessness, poverty and social exclusion.

Have fun building your DEN either indoors or in your garden, here are some tips to get you started:

1 BE A MASTER BUILDER

Have a hunt around your house for things you can use to build your very own den. Get creative with anything from boxes, bedsheets and cushions – how about a bobbing boat den or a secret sofa hideout? Whatever you choose please do help your children keep safe.

2 MAKE A RAINBOW FLAG

Support the NHS and make a colourful rainbow flag for your den – simply cut out a triangle and get colouring!

Simply cut out a triangle and get colouring, design a family crest for your flag or get the stickers out! Why not get creative and make your own decorations for your den? Anything goes!

3 HAVE FUN IN YOUR DEN

Get the popcorn ready and have a movie night in your den or get cosy with a bedtime story. How about spending the night in your den and having a midnight feast!

4 NOMINATE YOUR FRIENDS

Take photos of your den to post on Twitter, Instagram and Facebook and tag your friends by nominating them to build a den of their own. (Don't forget to ask your Mum and Dad for permission, and ask them to post on your behalf).

Please use this text and don't forget to tag us:
